## In Memoriam: Bahar Yaghoubian

Bahar Yaghoubian, a member of the School of Pharmacy Class of 2011, will be remembered by faculty, students and staff at a memorial service on Wednesday, January 19, 7 PM, at the Mayer Auditorium on the USC Health Sciences Campus.

Bahar was an exemplary student who had achieved an excellent record at the School of Pharmacy and was slated to graduate in May 2011. She passed away on January 9 as a result of injuries sustained in an automobile accident.

At the School of Pharmacy, Bahar served as the director of communications of the USC student chapter of the National Community Pharmacists Association. She was also active member of Skull and Mortar, the honorary service organization at the school. Additionally, she was a member of Phi Delta Chi, the national pharmacy fraternity.

During this academic year, Bahar had been pursuing various rotations as part of her final year of pharmacy school training. She aspired to ultimately serve as a community pharmacist and to own her pharmacy.

Bahar is survived by her parents, Fariba and Behzad Yaghoubian and sister, Shadi, currently a medical student.

Parking for the service is provided in the Biggy Parking Structure. For directions, go to <http://pharmacyschool.usc.edu/about/facts/visit/>.
